**Sub: Press Release - Jain Irrigation Secures ₹135 Crore Order for 5,438 Solar Pumps
Under PM-KUSUM Phase II in Maharashtra**

Dear Sir/Madam,

Please find the attached Press Release titled “**Jain Irrigation Secures ₹135 Crore Order for 5,438 Solar Pumps Under PM-KUSUM Phase II in Maharashtra**”

Jain Irrigation Systems Limited has secured a ₹135 crore order from MSEDCL under the Magel Tyala Saur Krushi Pump Yojana / PM-KUSUM B Scheme to design, supply, install, and commission 5,438 off-grid DC solar water pumps (3 HP, 5 HP, and 7.5 HP) across Maharashtra. Building on the successful completion of Phase I in December 2024, which delivered 4,180 pumps worth ₹103 crore, the Company reinforces its leadership in solar-powered irrigation, advancing clean energy adoption in agriculture and supporting rural development.

The Detailed Press Release issued by the Company on the above subject is attached herewith.

Please receive the above in order and acknowledge.

Thanking you,

Yours faithfully,
For Jain Irrigation Systems Ltd.

A. V. Ghodgaonkar
Company Secretary

PRESS RELEASE

Jain Irrigation Systems Limited Secures Major Order for 5,438 Solar Water Pumps value ₹135 crore Under “Magel Tyala Saur Krushi Pump Yojana” Phase II

Mumbai, August 13, 2025 - Jain Irrigation Systems Limited, a leading player in solar energy solutions, is pleased to announce the receipt of a significant work order from the Chief Engineer (Special Project Department), Maharashtra State Electricity Distribution Company Limited (MSEDCL). The order pertains to the **Design, Manufacture, Supply, Transport, Installation, Testing, and Commissioning of Off-Grid DC Solar Photovoltaic Water Pumping Systems (SPWPS) of 3 HP, 5 HP, and 7.5 HP capacity.**

This empanelment under the **Magel Tyala Saur Krushi Pump Yojana / PM-KUSUM B Scheme**, a flagship initiative aimed at promoting clean energy in agriculture. Under this project, Jain Irrigation will supply and install **5,438 solar pumps** across various districts in **Maharashtra**, with a **total project value of ₹135 crore + GST.**

This allocation follows the successful execution of **Phase I** of the scheme, initiated in **December 2024**, during which Jain Irrigation installed **4,180 solar pumps** valued at **₹103 crore + GST.**

Jain Irrigation continues to strengthen its leadership in the solar pump segment, having successfully undertaken similar projects across several Indian states under the Ministry of New and Renewable Energy’s **PM-KUSUM** scheme. The company remains committed to empowering farmers through clean, reliable, and sustainable solar energy solutions, for **green agriculture and rural development.**

About JISL:

JISL, with its motto "Small Ideas, Big Revolutions," employs over 9,000 associates worldwide and generates revenue of approximately USD 750 million. It is an Indian multinational company with manufacturing plants in 22 locations globally. For more than 34 years, JISL, its subsidiaries, and associates have provided solutions in agriculture and infrastructure through the manufacturing of micro irrigation systems, PVC pipes, HDPE pipes, plastic sheets, agro-processed products, renewable energy solutions, tissue culture plants, financial services, and other agricultural inputs. The company has pioneered a productivity revolution with modern irrigation systems and innovative technologies to save precious water, significantly increasing crop yields for over 10 million small farmers. It has also introduced the concept of large-scale Integrated Irrigation Projects (IIPs). "More Crop Per Drop" is the company's approach to water and food security. JISL is an early pioneer of IoT in the agriculture sector and is leading efforts to create global solutions through precision agriculture. Its food processing brand, "Jain FarmFresh," is well-known worldwide for quality and consistency. All JISL products and services aim to create a sustainable future while fulfilling its vision to "Leave this world better than you found it."

JISL is listed in NSE–Mumbai at JISLJALEQS and in BSE at code 500219.
