Vice Chairman and Managing Director of the company, Mr Anil Jain said:

"We are pleased to share with you results of March 2018. These results prove our resilience and unique strengths.

While the global economy continues to face challenges of volatility, we have managed to deliver strong growth and earnings while keeping our balance sheet stable. The company, we believe, is well on its way to make even better results in the quarters and years to come. We are living in extraordinary times with an opportunity to provide solutions in agri-water-food-energy system and create significant prosperity for all our stakeholders.

The agriculture business in India and around the world is experiencing uncertainties which include climate change, commodity price fluctuations, currency risks and unpredictable political situations. Even in this environment, we feel confident that our diversified businesses in Hi-tech Irrigation, water

infrastructure and agri-processing will continue to create consistent value. This is on the back of strong order book of large integrated irrigation projects, presence in high-growth economies, acquisition of strategic AgTech and forward linkage companies, a focus on in-house innovation and a passion for excellence in operations.

For the coming year, we want to focus on bringing cost effective digital solutions to agriculture through our smart irrigation systems. Farmers in any geography will be able to use our customized solutions to practice precision agriculture. We will leverage this connect with farmers to procure, process and produce healthier and sustainable food products. We want to invest and expand our own retail consumer product brands in a fast-growing environment. Our recently opened world class spice manufacturing plant will provide added value to the business. We will deliver turnkey water supply solutions to large cities while still delivering quality pipes to farmers. We plan to establish ourselves more firmly in markets such as China, CIS countries and South America.

12,000 talented and passionate Jain associates are determined to deliver excellence while facing ever complex business as well as geo-political scenario."

The Board has recommended 50% (INR 1 per share) dividend on the ordinary equity share/DVR equity Share of INR 2 each of the company, subject to approval of shareholders in the forthcoming Annual General Meeting.

The Board approved unaudited standalone and consolidated results for 4th quarter and year ended Mar 31, 2018.
