

PRESS RELEASE

Jain Irrigation Systems Ltd.

FOR IMMEDIATE DISSEMINATION

Jain Irrigation wins 6Plex Council awards for exports

Jalgaon, Oct.3, 2011

The world renowned Jain Irrigation Systems Ltd. (JISL) from Jalgaon has been honoured with the excellent performance in exports of different groups of plastic products. The JISL was felicitated by President of the Plastic Export Promotion Council (Plex Council) ShriAshok Goel in a grand ceremony held at Hyatt Regency Hotel in Mumbai with six awards. The JISL achieved a turnover of just under Rs 4,200 crore during the last financial year.

The JISL, which is a leading company in the agriculture and agriproducts field, achieved excellent exports for the year 2009 and 2010 in PVC Foam/Board Sheet, PVC Pipes and Hoses, and Drip Irrigation Department to get the first prizes. These awards were accepted on behalf of the JISL by respectively Ravindra B Yeole, Pramod M Masne and Gopal S Oswal. For the year 2010-11, the same department has won the first prize for this year also and these awards were accepted on behalf of the JISL respectively by Paras D Sankhla, Kishor Gujarathi, and Tanuj Sharma. This prize is given in the form of a Plex Council memento and a certificate. The JISL has established a new tradition to send senior associates in the managerial level to accept such prizes on behalf of the

Company. Before the function began, Plex Council President Shri Ashok Goel welcomed all those and delivered an introductory speech. The anchors of programme then read out the messages of the dignitaries. After this, the prizes were handed over to the Indian industries, who achieved highest exports in the field of different plastic products. The JISL has already bagged awards in PVC Foams, Board Sheet, Pipes & Hoses, and Micro-Irrigation Department. Indian industries have to achieve new records in the exports of different plastic products because there is a good demand for them in foreign countries.

JISL has been continuously getting these awards (Plex Council awards) every year from 1991. The number of Plex Council awards received by the JISL had gone up to 78 including this year's four awards and total awards have reached 160.

There are almost 5000 people directly working in the JISL and several people indirectly working with the Company. There are 22 factories of JISL in the world. Similarly, the JISL products are sold in over 104 countries and through more than 4000 distributors. The JISL also makes PVC pipes, PE pipes, pipes which transport water and gas, and the ducts required for optical fibre cables.
