Jain Plumbing Sanitary Traps & Accessories are the ideal solution for continuous flow of water without any hindrance. JAIN's Sanitary traps are manufactured using high quality PVC resin with an appropriate water trap seal which prevents the foul smell from entering to households. It is designed in a way such that it can efficiently pass the water without creating any blockage to the system.

Jain Plumbing Traps are available in wide range such as Nahani Trap, Multi Floor Trap, P-Trap, S- Trap, Q- Trap, Bell mouth Trap, Round gully Trap etc. and Accessories include Door Cap, Pass Over, Bend with Lip Ring for WC, WC straight Connector, Socket Plug etc.

Traps are available with or without Jali which are easily accessible and can also be provided according to the customer requirement. These Traps & Accessories can be easily joined using Jain's Perma-Fix Solvent cement for better bonding performance. These Sanitary Traps & Accessories are corrosion resistant, strong & durable, UV stabilized, weather resistant, chemical resistant, easy to install, have smooth inner surface, long life and are economical.
